

Getting Down to Business at the Maria A. Shchuka Library

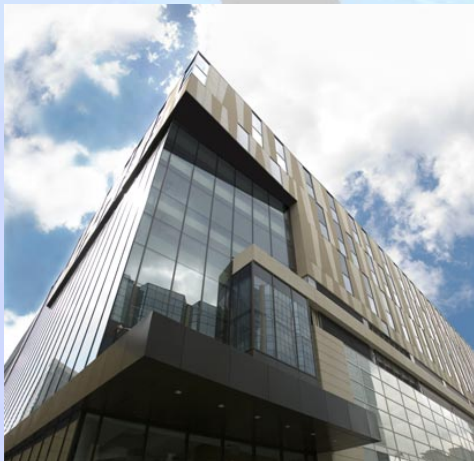

The Public Library in partnership with the York-Eglinton BIA is offering a great series of Fall Business Seminars! From effective media relations methods to business research, there is a seminar that can help you make your business grow, or help you put successful plans in place if you are planning to open a business in the area. Experienced, qualified experts present all seminars. Space is limited, so call now to reserve your spot. The BIA will also be providing refreshments and information on the local Business Improvement Area.
